Primary Pack	 Blister Alu-PVDC	 Pillow	 Strip	 Sachet	 Bottle
Blister Size	 4-Tab	 6-Tab	 8-Tab	 10-Tab	 12-Tab
Tablet Arrangement in Primary Pack	 All tablets one flavour	 Multiple flavours in one blister			
Blister Arrangement in Secondary Pack	 Same-flavour blisters in a box	 Multi-flavour blisters in a box			
Secondary & Onward Packs	 Mono Carton	 Catch Cover	 Multiple Blisters in a Box	 Duplex Box	 Display Box
	 Pouch	 Jar	 Shrink Pack	 Mono in Box	 Dispenser Box
Shipper Pack	5-Ply Corrugation		7-Ply Corrugation		
Shipper Printing	Printed		Non-Printed		
Additions	Leaflet / Insert / Catalogue				

PRODUCT VARIANTS

Type of Lozenges	Effect	Common Ingredients
 Sore Throat Relief	Soothes and relieves sore throat pain	Ivy Leaf, Mulethi, Tulsi, Ginger, Adusa, Vasaka, Eucalyptus, Honey
 Cough Suppressant	Reduces coughing frequency	Haritaki, Trikatu, Kulanjana, Khadir, Lavanga Oil, Sukshmaila Oil, Darusita Oil
 Immune Support	Boosts immune function, supports overall health	Ashwagandha, Giloy, Amla, Black Pepper, Licorice

Digestive Aid

Aids digestion, relieves flatulence and indigestion

Amla, Tulsi, Vitamin C, Selenium, Zinc, Ashwagandha, Echinacea

Respiratory Relief

Eases breathing, relieves congestion and respiratory irritation

Camphor, Eucalyptus, Menthol, Aduśa, Vasaka, Long Pepper, Ivy Leaf, Tulsi

Calming / Sleep Aid

Promotes restful sleep, regulates sleep-wake cycles, reduces stress and anxiety

Valerian, Chamomile, Melatonin, Jatamansi, Ashwagandha, Brahmi, Tagar, Manduparni

Antioxidant

Protects cells from damage, supports overall health

Vitamin E, Beta-Carotene, Grape Seed Extract, Vitamin C, Alpha-Lipoic Acid, Resveratrol, Lycopene, Zeaxanthin

Joint and Bone Health

Supports bone and joint health

Calcium, Vitamin D, Vitamin K2, Undenatured Type II Collagen, Boron, Magnesium, Zinc, Phosphorus

Energy and Metabolism

Enhances energy levels, supports metabolism

Vitamin B1, Vitamin B12, Vitamin B6, Niacin, Chromium, Manganese, Copper

Skin, Hair and Nails

Supports skin health, hair growth and nail strength

Biotin, Vitamin E, Vitamin A, Zinc, Selenium

Heart Health

Supports cardiovascular function and overall heart health

Resveratrol, Grape Seed Extract, Lycopene, Omega-3 Fatty Acids, Potassium, Magnesium

Prostate Health

Supports prostate function and health

Lycopene, Selenium, Zinc, Saw Palmetto

Blood Sugar Control

Helps regulate blood sugar levels

Chromium, Fenugreek, Alpha-Lipoic Acid, Magnesium, Berberine

Anti-inflammatory

Reduces inflammation in the body

Turmeric, Ginger, Boswellia, Resveratrol, Omega-3 Fatty Acids

Allergy Relief

Alleviates allergy symptoms such as itching and throat irritation

Menthol, Licorice, Peppermint, Sage, Basil

Bone Health

Supports bone density and strength

Calcium, Vitamin D, Magnesium, Phosphorus, Vitamin K2

Muscle Health

Supports muscle function, reduces muscle fatigue

Calcium Hydroxymethylbutyrate (CaHMB), Beta-Alanine, Magnesium, Potassium

KEY INGREDIENTS IN HERBAL AND FOOD LOZENGES

(01)	Adusa		Malabar nut (<i>Justicia adhatoda</i>)	Used for respiratory disorders, expectorant and bronchodilator.
(02)	Ajwain		Carom seeds (<i>Trachyspermum ammi</i>)	Digestive aid, relieves flatulence and indigestion.
(03)	Amla		Indian gooseberry (<i>Phyllanthus emblica</i>)	Rich in vitamin C, antioxidant, boosts immunity and aids digestion.
(04)	Anis		Anise (<i>Pimpinella anisum</i>)	Digestive aid, relieves cough and cold symptoms.
(05)	Ashwagandha		Withania (<i>Withania somnifera</i>)	Adaptogen, reduces stress, boosts energy levels and improves concentration.
(06)	Baheda		Bellirica (<i>Terminalia bellirica</i>)	Used in Ayurvedic formulations for digestive health and respiratory disorders.
(07)	Brahmi		Bacopa (<i>Bacopa monnieri</i>)	Enhances cognitive function, memory booster and reduces anxiety.
(08)	Camphor		Camphor (<i>Cinnamomum camphora</i>)	Used in balms for its cooling sensation, relieves pain and respiratory congestion.
(09)	Elaichi		Cardamom (<i>Elettaria cardamomum</i>)	Digestive aid, freshens breath and used in respiratory conditions.
(10)	Chamomile		Chamomile (<i>Matricaria chamomilla</i>)	Calming effect, aids sleep and used for digestive disorders.
(11)	Dalchini		Cinnamon (<i>Cinnamomum verum</i>)	Antioxidant, anti-inflammatory and aids blood sugar control.
(12)	Laung		Clove (<i>Syzygium aromaticum</i>)	Antimicrobial, dental pain relief and improves digestion.
(13)	Eucalyptus		Eucalyptus (<i>Eucalyptus globulus</i>)	Used in respiratory conditions, antiseptic and relieves muscle pain.
(14)	Adrak / Sunth		Ginger (<i>Zingiber officinale</i>)	Anti-inflammatory, relieves nausea and aids digestion.

(15)	Harde		Haritaki (<i>Terminalia chebula</i>)	Digestive aid, laxative and rejuvenative.
(16)	Shahad		Honey	Natural sweetener, antimicrobial and soothes sore throats.
(17)	Ivy Leaf		Ivy (<i>Hedera helix</i>)	Used for respiratory disorders, expectorant and anti-inflammatory.
(18)	Jatamansi		Spikenard (<i>Nardostachys jatamansi</i>)	Calming effect, used for sleep disorders and stress relief.
(19)	Jiru		Cumin (<i>Cuminum cyminum</i>)	Digestive aid, relieves flatulence and boosts immunity.
(20)	Jyotishmati		Jyotishmati (<i>Celastus paniculatus</i>)	Enhances cognitive function, memory booster and stress relief.
(21)	Kali Mirch		Black pepper (<i>Piper nigrum</i>)	Digestive aid, antioxidant and improves nutrient absorption.
(22)	Katha / Khadir		Katha / Khadir (<i>Acacia catechu</i>)	Used in dental care, astringent and anti-inflammatory.
(23)	Kulanjan		Greater galangal (<i>Alpinia galanga</i>)	Digestive aid, anti-inflammatory and relieves respiratory conditions.
(24)	Lindi Piper		Long pepper (<i>Piper longum</i>)	Digestive aid, respiratory relief and improves circulation.
(25)	Manduparni		Manduparni (<i>Centella asiatica</i>)	Enhances cognitive function, aids wound healing and reduces anxiety.
(26)	Menthol		Menthol (<i>Mentha arvensis</i>)	Cooling sensation, relieves respiratory congestion and pain.
(27)	Methi		Fenugreek (<i>Trigonella foenum-graecum</i>)	Digestive aid, improves blood sugar control and boosts lactation.
(28)	Mulethi		Licorice (<i>Glycyrrhiza glabra</i>)	Soothes sore throats, digestive aid and anti-inflammatory.
(29)	Jaiphal		Nutmeg (<i>Myristica fragrans</i>)	Digestive aid, sleep aid and improves cognitive function.

(30)	Sage		Sage (<i>Salvia officinalis</i>)	Antioxidant, cognitive enhancer and relieves sore throats.
(31)	Sarpagandha		Sarpagandha (<i>Rauvolfia serpentina</i>)	Used for hypertension, calming effects and sleep disorders.
(32)	Saunf (Variyali)		Fennel (<i>Foeniculum vulgare</i>)	Digestive aid.
(33)	Spearmint		Spearmint (<i>Mentha spicata</i>)	Digestive aid, relieves nausea and headaches, and has a calming effect.
(34)	Tagar		Tagar (<i>Valeriana wallichii</i>)	Used as a sedative, for treating insomnia and reducing anxiety.
(35)	Tulsi		Holy basil (<i>Ocimum tenuiflorum</i>)	Immune booster, anti-inflammatory, reduces stress and supports respiratory health.
(36)	Haldi		Turmeric (<i>Curcuma longa</i>)	Anti-inflammatory, antioxidant, aids digestion and supports joint health.
(37)	Vasaka		Malabar nut grass (<i>Justicia adhatoda</i>)	Treats respiratory disorders, expectorant and bronchodilator.

NUTRACEUTICAL INGREDIENTS

Micronutrients

Ingredients

Uses

Minerals

Boron	Supports bone health, aids in the metabolism of minerals.
Calcium	Supports bone health, used as an antacid.
Chloride	Maintains fluid balance, aids in digestion.
Chromium	Helps regulate blood sugar, improves insulin sensitivity.
Copper	Supports immune function, aids in iron absorption.
Iodine	Supports thyroid function, essential for metabolism.
Iron	Essential for oxygen transport in the blood, supports energy production.
Magnesium	Supports muscle and nerve function, used as a laxative.
Manganese	Supports bone formation, aids in metabolism.
Molybdenum	Essential for enzyme function, detoxifies sulfites.
Phosphorus	Supports bone and teeth structure, aids in energy production.
Potassium	Maintains fluid balance, supports muscle function.
Selenium	Antioxidant, supports immune function.
Sodium	Maintains fluid balance, essential for nerve function.
Zinc	Supports immune function, aids in wound healing.
Biotin	Supports healthy skin, hair and nails.
Niacin	Supports energy metabolism, improves skin health.

Vitamins

Vitamin A	Supports vision and immune function, essential for skin health.
Vitamin B1	Supports energy metabolism, essential for nervous system health.
Vitamin B12	Supports red blood cell formation, essential for nerve function.
Vitamin B2	Supports energy production, essential for skin and eye health.
Vitamin B6	Supports brain function, aids in the metabolism of proteins.
Vitamin C	Antioxidant, supports immune function.
Vitamin D	Supports bone health, aids in calcium absorption.
Vitamin E	Antioxidant, supports skin health.
Vitamin K1	Essential for blood clotting, supports bone health.
Vitamin K2	Supports bone health, prevents arterial calcification.

Ingredients as Nutraceuticals

Beta-alanine	Improves athletic performance, reduces muscle fatigue.
Calcium hydroxymethylbutyrate (CaHMB)	Supports muscle mass, reduces muscle breakdown.
Melatonin	Regulates sleep-wake cycles, supports restful sleep.
Undenatured type II collagen	Supports joint health, reduces joint pain.
Zeaxanthin	Supports eye health, protects against blue light damage.
Alpha-lipoic acid	Powerful antioxidant, supports nerve health and blood sugar control.
Grape seed extract	Antioxidant, supports cardiovascular health.
Lycopene	Antioxidant, supports prostate health.
Resveratrol	Supports heart health, has anti-aging properties.
